Dear SAPA-NE members and friends:

Hope you all had a great summer! It is our great pleasure to announce that the 14th 2011 SAPA-NE Scientific Symposium featuring biologic therapeutics discovery and development will be held at Cambridge Marriot Hotel. The symposium will consist of two sessions, a scientific presentation session from 12:30 PM to 6:00 PM including presentation and discussion with prestigious speakers, a dinner reception with the theme of “The Night of Simcere” from 6:00PM to 9:00PM, on Saturday, November 5th, 2011. This will be a great opportunity for us to learn the current status and future strategies for biologics both in the States and in China, an opportunity for networking and understanding the Chinese government policy for talent recruitment. Please mark the date in your calendar for this exciting event! For pre-registration, please check the following linker:
